The case was recorded in the R-2 (Evidence Registry for Notification regarding Crimes) of the IP Buiucani, Chisinau, no. 20200314695, from 30.10.2020.</p>
9	<p>Embassy of the Russian Federation (Chisinau 153, Stefan cel Mare si Sfant Blvd.)</p>	<p>On 02.05.2021, the Embassy received an anonymous message via e-mail with threats at the building of the embassy.</p> <p>The case was recorded in the R-2 (Registry of evidence of other information regarding incidents and violations) of IP Buiucani, Chisinau, no. 20210301227, from 02.05.2021.</p>
10	<p>Embassy of the Russian Federation (Chisinau 153, Stefan cel Mare si Sfant Blvd.)</p>	<p>On 25.02.2022, approximately at 15:30, the first secretary of the embassy has announced that on 24.02.2022 on the embassy's email address arrived anonymous messages, in English and French, by means of which the diplomatic staff were threatened with harmful substances in case of non-abandonment of the headquarters of the embassy in the next 24 hours.</p> <p>The case was recorded in the R-2 (Registry of evidence of other information regarding incidents and violations) of IP Buiucani, Chisinau, no. 20220302806, from 26.02.2022.</p>
11	<p>Embassy of the Russian Federation (Chisinau 153, Stefan cel Mare si Sfant Blvd.)</p>	<p>On 07.10.2022, approximately at 21:55, a male person, citizen of the Russian Federation, seeking to desecrate the building of the embassy, by reasons of prejudice, has made inscriptions on the gate of access to the interior territory of the embassy with the words "ВЪИДИТЕ" (kher) and "ПУТИН" (Putin) with of blue color and yellow ink, respectively.</p> <p>Continuing his intentions, he threw on the gateposts and locked on the grate bars a fragment of white and blue cloth with a rectangular shape, simultaneously setting fire to the cloth in the direction of the building.</p> <p>The case was recorded in the R-2 (Evidence Registry for Notification regarding Crimes) of IP Buiucani, Chisinau, no. 20220301922 from 08.10.2022.</p>

12	Embassy of Kazakhstan Chisinau 14/1 Toma Ciorba Street)	On 05.12.2022, at 12:13, the operational dispatcher of MAI has received a phone call, that in the mail box of the embassy has been found a written threat that the embassy building is mined. The inspection carried out by the specialized services of MAI concluded that the threat was false. The case was recorded in the R-1 (Evidence Registry for Notification of Incidents and Violations) of MAI, Buiucani, Chisinau with no. 20220319165, from 05.12.2022.
13	Embassy and the Consulate General of the USA (Chisinau 17, Vasile Lupu Street)	On 07.12.2022, at 18:30, the embassy received an anonymous email threatening the lives of the diplomatic staff. The inspection of MAI has been concluded with the result that the threat was false. The case was recorded in the R-1 (Evidence Registry for Notification of Incidents and Violations) of MAI, Buiucani, Chisinau, no. 20220319281 from 07.12.2022.
14	Embassy of the USA (Chisinau 103, Alexei Mateevici Street)	At 19.12.2022, at 11:10, as a result of reception through a courier of a suspicious parcel the administration of the embassy has called the National emergency Service 112. After the inspection conducted by the specialized services of MAI, the parcel was identified (the parcel contained a dangerous substance). The case was recorded in the R-1 (Evidence Registry for Notification of Incidents and Violations) of MAI, Buiucani, Chisinau, no. 20220319300 from 19.12.2022.

It should be mentioned that in all cases listed above, the prompt reaction of the services at the stations was ensured, as well as the operational resources available, which provided the support to the specialized subdivisions of the general police inspectorates by limiting the access to people and transport units.

Subsidiarily we mention that based on the MAI's intervention no. 15-107/2005 from 24.02.2022, the measures of security and public order at all the accredited diplomatic missions in the Republic of Moldova have been reinforced, with the application of the regime at the diplomatic representations of Ukraine, Russian Federation, USA, Poland and Romania.

Also, through the intervention no. 44730/53/2023, MAI requested MAIPE to inform the representatives of the foreign-accredited diplomatic missions in the Republic of Moldova regarding the national procedure as to the management of emergency situations, as well as the establishment together with them of procedures of action in case of the imminent or incident of a gangsterous situation which would require the intervention of emergency specialized services on the territory of the diplomatic headquarters.
