WOMEN RISE FOR ALL EVENT

Convened by the United Nations Deputy Secretary-General
Amina J. Mohammed

TUESDAY, 14 JULY 2020, 8:00 – 10:30 AM EDT

We are women leaders rising in solidarity to save lives and protect livelihoods. We call for all leaders to meet the human crisis of COVID-19.

Women are on the frontlines of the COVID-19 response and recovery. Saving lives as first responders. Finding solutions as innovators. Facing the pandemic as political leaders.

On 14 July, the Women Rise for All Event will bring together women from different sectors in recognition of front-line leaders.
